## **Introduction:**

Higher education institutes play a vital role in the field of environment and sustainability, considering this S.P.M. Tatyasaheb Mahajan Arts and Commerce college Chikhli, Dist. Buldana, shall pay considerable attention to minimize the production of waste on the campus. This policy envisages to guarantying the moral, social and legal responsibilities of the College in creating an environment-friendly and sustainable world devoid of waste and exploitation of nature. This policy is a guidance document to the faculty, staff and students to behave responsibly in the production of waste, waste segregation, storage, handling, transport and disposal.

## **Vision:**

The policy envisions a community which is acutely conscious of the anthropogenic condition of the world and therefore strives to create an ecologically healthy, prospering and resource efficient community, where waste is considerably reduced, recycled, reused and disposed of using an environment friendly safe method.

## **Objectives:**

- Create consciousness among faculty and students about the ways in which waste is generated and the means by which they can reduce waste generation and manage the waste they produce.
- To provide appropriate training for faculty, staff, students and other stakeholders on waste management issues.
- Orienting them to adopt appropriate technologies for processing and managing solid, liquid and e-waste.
- Follow the Three "R" principle of reuse, reduce, recycle
- To promote holistic approach of waste management in the campus.

## **Waste Management Methods:**

### **1) Solid Waste Management**

- To keep campus, keep clean, neat and tidy, Dustbins are placed in the college premises, corridors and office.
- Cleanliness drive in campus for collection of garbage and solid waste by NSS & NCC student.

---

- The solid waste is segregated into organic and is used for plant in the college campus and non-degradable waste is collected by the Municipal Corporation Chikhli.
- All one-side used papers are utilized for routine printing activities.

### 2) Liquid waste management:

- Waste water by water filter is used for trees in college campus.

### 3) E-waste management:

- E-waste at our college refers to electronic equipment that has gone out of use. The cartridge of printers is refilled from a suitable vendor and reused it.
