In our opinion, SPM college is best college of this area. because there are various good facilities of teaching available. and most important thing lectures done every day. college always support to poor, needy, and clever student by various scholarship and prices. from the Establishment collage always modify and update himself. I think college always gives to student good opportunity, pride, confidence, guidance, motivation, good sacraments, love of nation, and respect in society as a educated man and i will never forgot college day. at the last SPM College will be always my favorite college in my all life.	7397860185
