**S.P.M. Tatyasaheb Mahajan Arts & Commerce College,  
Chikhli-443201 Dist. Buldana.**

## State Level e-Survey of English Language

We, the faculty, department of English, do conduct some co-curricular activities for the students of English language and literature, every year. In the academic year 2021-22, we decided to conduct a state level e-survey of English language to test the understanding of undergraduate students. Our hypothesis behind this activity was that the fear of English language among the students in present scenario is lessened. Before conducting this activity we had the idea of common burden of English and mathematics among the Maharashtrian students. And one of the basic reasons of dropout was this burden. So, we wished to check the effect of making English as a compulsory language from the first standard.

Previously, when English was taught from the fifth standard, this pressure was commonly carried by the students. But our survey has proved that present situation is slight better than previous one. Hence, we prepared a set of 20 questions 2 marks each with multiple options to check the reality. We are happy to register good response from the various universities of Maharashtra. Five universities including 1) Savitribai Fule University, Pune, 2) Mumbai University, Mumbai, 3) Nashik University, Nashik 4) Kavayitri Bahinabai Chaudhary North Maharashtra University, Jalgaon 5) Sant Gadge Baba Amravati University, Amravati were participated in the survey.

288 students responded from various colleges of these universities. When we analysed the score of male- female categorically, we found that :

- 1) 15 students out of 288 scored out of marks. They scored 40/40. Among them 7 boys and 8 girls scored out of marks.
- 2) Score between 30 to 40...88 students. Among which 45 boys and 43 girls.
- 3) Score between 20 to 30 ...76 Student. Among which 29 boys and 47 girls.
- 4) Score between 10 to 20...109. Among which 68 boys and 41 girls.
- 5) Score below 10...00.

It's a matter of joy that no candidate scored below 10.

**\*Finding :** The change we see clear before and after doing English language compulsory from the first standard. Before this pattern, maximum students happened to be failed and more than 20 percent students below 10 marks. But here we see 15 students scored out of and no student is below 10.

  
**Dr. Subhash G Raut**  
Dept. of English.
