Banking Internship Programme

Introduction :-

The scheme of establishing a Career and Counseling Cell in colleges has been formulated to address the diverse socio-economic challenges and geographic backgrounds of the heterogeneous population of students coming to the Colleges vis-à-vis equity of access and placement opportunities through availability of appropriate institutional support information. Linguistic differences and cultural gaps among students also call for the setting up of placement cells.

Objective :-

Along with the academic and administrative processes in a college, Career and Counseling Cell has to be a dispensation of well-informed and interested teachers. It has to support the students in the development of soft skills and communication ability to challenge the rigors of competitive tests and on-job training in add-on or vocational courses. As a purveyor of healthy inter and intrapersonal relation it has to inculcate social values and ability to think independently for carrying out social responsibilities. There may be a team of teachers with different subjects and interests to create a homogeneous group to translate this vision and carry out its healthy functions as an institutional imperative.

The guidance and counseling cell in a college is a resource centre of information, guidance and counseling with free accessibility and internet based global connectivity and exchange of information on professional placements.

Function :-

- a) To gather information on job avenues and placements in different institutions and related to the courses that the college offers..
- b) To analyze information in the local, regional and national contexts to internships, explore its relevance and utility for the students on their internships, on job training and placement.
- c) To organize seminars and guidance workshops for informing students about their emerging professional trends and events, job profiles, leadership role, entrepreneurship, market needs and risks and implementation of national socio-economic policies and to impart training in soft skill
