Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. IQAC formulates quality-related initiatives by designing perspective plans for strategic and sustainable implementation of various quality policies with the assurance of fulfilling the set objectives.

### Quality Assurance Strategies and Processes

The IQAC carried out internal Academic Audits of the departments to review learning outcomes at periodic intervals with an objective to evaluate and appraise the functioning of departments in terms of teaching-learning, evaluation, research, co-curricular and extension activities.

### Review of Teaching-Learning Process

#### 1. IQAC Functioning

The IQAC monitors academic activities; the perspective plans, academic calendar are made under the aegis of IQAC for streamlining the programs throughout the academic year with proper monitoring. It takes remedial measures in consultation with the respective departments and committees.
