The Practice/Activity:

On the occasion Birth Anniversary of Mahamahim DR. A.P.J. Abdul Kalam celebrated by Department of Library and Information Science, The concept behind Reading Inspiration Day is to encourage students to read APJ Abdul Kalam's book Reading Personalities to Great Positions. In his speech, Shri. Pramod Deshpande explained to the students how the character of APJ Abdul Kalam. In the country of India, different saints and great people have been born in different castes and religions. We should read the biographies of the martyrs who worked in the Indian freedom struggle and the great people who worked for the development of India after the independence of India.

The country will never forget the greats like APJ Abdul Kalam for their research and development in Indian Space Research for the development of the country. We all know his journey from being a scientist to being the Honorable President of the country. APJ Abdul Kalam became an outstanding scientist while living under extreme adversity and relying on reading and culture, opined that students should study closely and try to make their personalities like him. Although India's number in the Nobel Prize is single digit, Indian scientists are not less compared to the scientists of the world and he expressed optimism that many Indian scientists will get the Nobel Prize in the coming time. On this occasion, he appreciated the poster exhibition of Nobel Prizes. He learned about the various activities carried out by the library and appreciated the activities of the library. On this occasion, Shri Ramkrishndada Shete, also shed light on APJ's life and his literature. College librarian Dr. Pradip Barad outlined the program in his introduction and after the program the students benefited from the poster exhibition of Nobel Prize winning scientists.
